

DECLARATION ON THE NON-INFECTIOUSNESS OF THE AQUA 2023 PARTICIPANT

I declare that the participant

permanent residence

- does not show symptoms of an acute illness (for example fever or diarrhoea),
- does not show, and has not shown in the last two weeks, symptoms of a viral infection (fever, cough, shortness of breath, sudden loss of taste and smell, etc.),
- I am not aware that the named person, family members or other persons who live together with the named person in the household have come into contact with a person sick with an infectious disease or suspected of being infected with an infectious disease (e.g. diarrhea, angina, viral hepatitis, meningitis, febrile illness with rashes, covid-19) within the last two weeks
- and that the competent public health authority or the attending physician has not ordered a quarantine measure (quarantine, increased medical supervision or medical supervision) to the named person, family members or other persons who live together in the household with the named person.

The mentioned person is able to participate at AQUA 2023 on the date: - 07. 2023

I am aware of the legal consequences in the event of a false statement, in particular I am aware that I would have committed an offense pursuant to § 56 of Act no. 355/2007 Coll. on the protection, support and development of public health and on the amendment of certain laws.
